THE GREYCELLS

School of Commerce, Finance and Accountancy

Resolving Conflicts Using Non- Violence The Gandhian Perspective

Gandhi Jayanti commemorates Mahatma Gandhi, a political ethicist, anti-colonialist, spiritual guide, and Indian lawyer. Words fail to describe Mahatma Gandhi, the soft-spoken, and immensely empathic individual who rallied all Indians together and taught them the importance of remaining united in the face of adversity. An event was organized on 30th September 2022 by the School of Commerce, Finance & Accountancy, Christ (Deemed to be) University,, Delhi – NCR Campus in the Seminar Hall, Block A under the guidance of Dr. Nitika Sharma and Dr. Chabi Gupta. The event consisted of a detailed conversation on "Resolving Conflicts Using Non-Violence and The Gandhian Perspective". It was addressed by the Chief Guest, HOD, Dr Nitika Sharma, and Dr Chabi Gupta. The event successfully came to an end with the college anthem.

PRAYAAN '22

Life is about taking chances, believing in yourself whilst having fun, making mistakes, and surely learning from them and doing whatever it takes to rise and shine. Prayaan '22 was an emotional roller coaster ride of hard work, talent, innovation, and willpower. The event was held on October 19, 2022, at the Main Auditorium 4th floor Block A. It included 5 Business events and 3 cultural events held by the respective clubs.

BUSINESS FEST

MCCARTHIANS

Under this McCarthians had brought Lucky Quiz. The participants would be given a quiz, and here not only their true marketing ability would be judged but also this will help them get an experience that will eventually help in upscaling their skills as well. The second round was 'Abstract Standoffs'. Abstract Standoffs would look to test and thus, better cultivate the skills of attentiveness, confidence, leadership, and teamwork/management amongst the participants. The third round was, Tame the "Devil". The Good Devil demanded the implementation of strategies to enhance the well-being of consumers and place that in the marketing campaigns of a firm/organization. Finally, after all of these rigorous rounds, the event came to an end by delivering a vote of thanks to all the participants and by giving a small token of gratitude to the judges.

CUFFLINKSIA

As it's said that insurance plans are beneficial to anyone looking to protect their family, assets/property, and themselves from financial risk/losses, and knowing such policies can be very beneficial for an individual. Keeping in mind the need for such knowledge the Insurance Club designed its rounds in such a way that allowed students to explore the deep sea of insurance. The rounds were designed to check the students' awareness of the modern world and to keep them up to date about current financial terms, insurance policies, and government schemes by organizing 2 different rounds with an increase in difficulty level technical knowledge level and the winner will be selected as the next junior associate for the Insurance Club. The Judge for the same was Prof. Anish. He evaluated the presentations on the basis of subject knowledge, mechanics, eye contact, and poise.

ARTHIKA

The ability to manage money properly is made possible by having a solid understanding of finance. Without financial literacy, one's actions and decisions about savings and investments would be weak and unsupported. Keeping in mind the need for such knowledge the Finance club designed their rounds in such a way that gave students an opportunity to explore the deep sea of finance.
The rounds were designed to check the students' awareness related to the modern world and to keep them up to date about current financial terms by organizing three different rounds with an increase in difficulty and technical knowledge level and the winner was selected as the next junior associate for the Finance Club.The event came to an end by giving a token of gratitude to our Judge Mr. Raman Kumar.

NOVA

The Nova club had brought quizzes, and other rounds. This event consisted of an MCQ-based quiz intended to enhance students' knowledge about entrepreneurship and to analyze their awareness of what's happening in the contemporary world of business to check the entrepreneurial skills of the students and enhance their knowledge
about the sameStudents were provided with case studies of real-world businesses. This event focused mostly on the capacity to analyze a situation and develop creative solutions. In round 3 we had that all the students needed to create a startup that starts out as a social welfare company to solve
the listed social problems. Finally, after all of these rigorous rounds, the event came to an end by delivering a vote of thanks to all the participants and by giving a small token of gratitude to the judge.

CULTURAL FEST

The cultural fest under Prayaan 22 took place on October 20, 2022. The event commenced with a warm welcome to all the participants by the senior associates. This year the theme for the cultural fest was "Indie" which stands for independent art/artist. Pravaah(the cultural club) this year focused on bringing out independent talents and artists who are more inclined towards self-choreography, self-direction, and composition. So the events for Prayaan were designed keeping these factors in mind. All the events under the cultural club ended by 4:00 pm. Curtains were drawn to the whole event with a vote of thanks to all the judges and participants by the emcees. There were several categories under Dance, Music, and Theater events which were as follows:

DANCE EVENTS

- Classical Dance (SOLO): Classical dances are performed by professional or highly trained dancers who have studied their form for many years. This event consisted of three participants, all three participants showcased their talent and hard work over the years on the stage.

- Western Dance (SOLO): Culture is an important part of our upbringing, and it is because of our Culture we are who we are, both as a nation and as individuals. Participants were fully energized and performed wonderfully on the stage and the judge for the same was Dr. Harpreet Kaur.

MUSIC EVENTS

- Western Singing (SOLO): The music event was running simultaneously in the seminar hall, block B. Participants were excited and ready to sing their hearts out. All the singers sang their respective songs and showed the true spirit of an artist

THEATER EVENTS

- Mono Act: The participants played numerous roles in an alternate manner in the same scene, each with a new and changed version. This was conducted to judge participants' talent as an actor. The actors of SCFA got the best platform to upskill & showcase their acting skills and express their emotions through this Mono Act..

Christ (Deemed to be University), Delhi NCR awarded A+ grading by NAAC

The National Assessment and Accreditation Council (NAAC) awarded Christ (Deemed to be) University, Delhi-NCR an accreditation grade of A+ with a cumulative grade point average (CGPA) of 3.42.
On this happy occasion, the university expresses its gratitude to each and every member of the Student Community, the entire CHRIST (Deemed to be) University Fraternity, Parents, Alumni, and all other Stakeholders for their contribution to the University's journey of excellence and seeks their support and cooperation in the coming years too.

The LiFE Movement - Awareness Programme on Climate Change

The LiFE Movement aims to utilise the power of collective action and nudge individuals across the world to undertake simple climate-friendly actions in their daily lives. The LiFE movement, additionally, also seeks to leverage the strength of social networks to influence social norms surrounding climate.
The Awareness Programme on Climate Change was held by School of Commerce, Finance and Accountancy on October 21, 2022 on 11:30 AM at Main Auditorium 4th floor Block A. The special guest for the event was Smt. Naaz Rizvi, DIrector, National Museum of Natural History.
