Attendees : Students (I B.Sc CMS, I B.Sc. EMS, I BCA)

Number of participants :

Description :

EULIM Science club has organised an environmental awareness program for the students of the Department of Computational Sciences entitled “Green Wave”. The session is based on the importance of plantation and environmental awareness among the young minds. Some photos and short video clippings on the plantation have been collected from students and presented in the session. On behalf of EULIM Science club 3 plants have been planted inside the campus.
