CREATING A GENDER INCLUSIVE WORLD

The School of Commerce Finance and Accountancy recently organized a seminar focused on creating a gender-inclusive environment, which took place on March 31, 2023. The seminar featured a keynote speaker, a transgender woman, who shared her personal experiences and challenges with the audience. During the seminar, Miss. Joshi, the speaker, was felicitated with a sapling by Dr. Yashmita Awasthi, representing the School of commerce finance and Accountancy.

Miss. Joshi shared her journey of discovering her gender identity and the societal pressures that made it challenging for her to accept herself. She also discussed the various difficulties that transgender women face, such as stigma, abuse, and harassment, leading to emotional trauma and psychological discomfort. Miss. Joshi also highlighted the barriers to healthcare, education, and work that transgender individuals often encounter, making it challenging to lead a regular life. She emphasized the importance of creating a more welcoming and inclusive environment for the transgender community through education and awareness campaigns and establishing safe spaces to express themselves without fear of discrimination.

Additionally, Miss. Joshi presented a documentary showcasing other transgender individuals' stories and their successes beyond gender. One of the highlights was Miss. Padmini Prakash, was thrown out of her house at the age of 13 but went on to become a successful news anchor on Lotus TV.

The seminar concluded with a question and answer session where the audience could ask the speaker questions about the topic. The seminar was an eye-opening and thought-provoking experience, and students requested more seminars like this in the future. The seminar emphasized the need for empathy and acceptance toward the transgender community, and the overall feedback was positive.

BLOSSOMS 2023

Blossoms is a highly anticipated annual cultural festival held by CHRIST (Deemed to be University) from 5th February to 25th February. The festival kicks off with intra-Blossoms, where interdepartmental competitions take place to secure a spot in the interdepartmental competition and win the coveted title of "Winner of Blossoms 23." Blossoms feature five main categories of events, including art, literature, music, dance, and theatre. This event is highly significant for students, as it provides them with the opportunity to showcase their talents in various fields and compete with their peers. Blossoms not only promotes cultural diversity but also brings together students from different backgrounds and communities, enabling them to learn from one another and celebrate their differences. The festival has become an essential part of university life, and students eagerly anticipate it each year. With a variety of activities and competitions, Blossoms has something for everyone, and it continues to be a highlight of the academic calendar at CHRIST (Deemed to be University).

DAKSH 2023

DAKSH is an annual flagship event held by the Student Council, which is a comprehensive educational fair conducted and managed by faculty members and members of the Student Council. DAKSH strives to provide cognizance of the available curriculums and probable career paths, to various educational stakeholders not limited to, pre-university, undergraduate, and postgraduate students. Through active participation in stalls, dialogues with eminent speakers from diverse disciplines as well as personalized career counseling sessions, students will be able to learn about various vocations and fields of study they can pursue in the future. As part of this event, we will not only have informational stalls which will present courses but will also have stalls and events in various cultural areas of the University that will exhibit the culture at CHRIST (Deemed to be University) Delhi NCR, at its finest.

The Educational Fair will comprise a Model United Nations (MUN), a keynote session by renowned speakers, panel discussions on important topics, and presentations highlighting the academic prospects at our institution. We believe that this event will offer a unique opportunity for students, faculty, and parents to learn from experts in the field.

Events included:

1) Talks by keynote speakers
2) Podcasts
3) Stall visits
4) Jam sessions
5) Christ University MUN (CUMUN)
6) Networking and Mixers
7) Visit to faculties
8) Faculty Interactions

DAKSH is an excellent platform for students to explore the academic opportunities available to them and gain insights into various fields of study. The event is designed to provide students with a holistic experience through its interactive events and cultural activities. DAKSH is an opportunity for students, faculty, and parents to learn from experts in their respective fields, interact with peers, and gain knowledge that will help them make informed career decisions.
