THE GREYCELLS

BY SCHOOL OF COMMERCE,
FINANCE AND ACCOUNTANCY

Message from Editor's desk

Greetings and welcome to Volume II issue 7 of the Newsletter of School of Commerce, finance and accountancy, Christ (Deemed to be University) Delhi, NCR- "The-Greycells".

Despite all the challenges of the last two years—and the ongoing Omicron-related uncertainty we face today, SCFA's commitment to teaching and learning is more alive than ever. Activities conducted were centered on the celebration of the 73rd Republic Day with patriotic fervor.

The University Student Council came up with a special insta-filter to celebrate the day with pride. The National Cadet Corps, CHRIST (Deemed to be University), Delhi NCR conducted a 'SURYA NAMASKAR' event to commemorate the framing of the Indian constitution. In this issue, The Greycells reflects the positivity embodied by our students and faculty. A glimpse of faculties' achievement has been featured in the issue.

Warmest Regards
Dr Nitika Sharma

Pravaah Club (Cultural Club) Auditions

The Cultural Club of the School of Commerce, Finance, and Accountancy conducted auditions on 4 January 2022 at seminar hall, Block A, for the following categories:

1. Music
2. Literature
3. Theatre
4. Dance

Students showed their enthusiasm and students actively participated in the auditions. The audition was emceed by Immanuel (Cultural clubhead) followed by Kaavya and Shefali as associates.

Siddharth and Shruti (President and Secretary - Reckons Aisle) were present to coordinate the event. Nitika Ma'am and Ruth Ma'am guided and supported us throughout the event.

The event was concluded by a vote of thanks given by Immanuel.

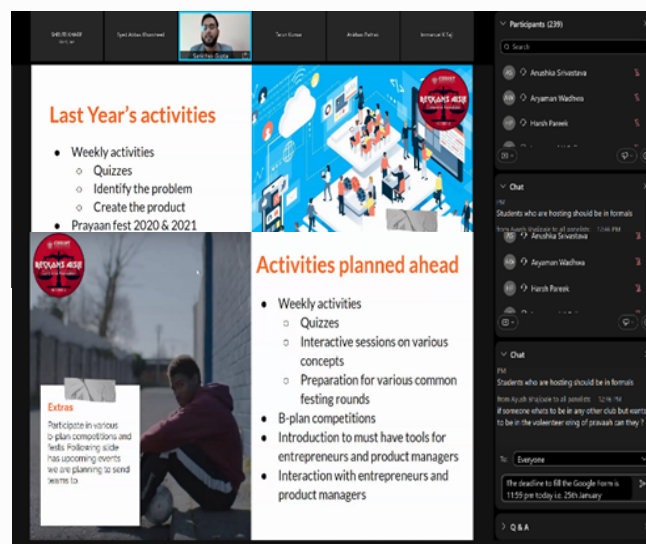

Club Registration Pitching and Orientation

As per the feedback received from the students of the School of Commerce, Finance, and Accountancy regarding their interest in participating in the activities of one particular club. So that they can learn the most out of it.

Reckons Aisle planned a new model wherein every student of the department would be given a chance to be a part of one particular club for one semester. Further after the completion of this semester, students will get a chance to re-register themselves in other clubs.

For this, Reckons Aisle planned an hour-long pitching and orientation session, wherein Club heads along with their associates pitched their clubs and oriented students on how the new model will work. Reckons Aisle witnessed great presentations from different clubs. Post the session a google form was circulated to collect the registration responses from the students of SCFA.

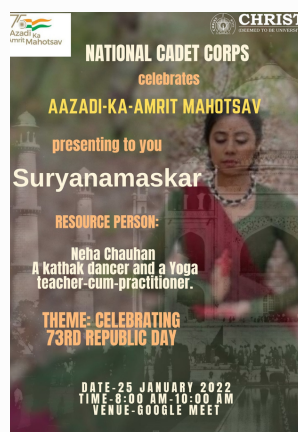

Reckons Aisle aims to conduct many more fun and learning activities with this new model.

Azadi ka Amrit Mohtsav

To carry on the Government of India's effort to commemorate January 26 under the banner of AZADI KA AMRIT MOHTSAV with the subject of SURYA NAMASKAR, the National Cadet Corps (NCC), CHRIST (Deemed to be University), Delhi NCR brought the event 'SURYA NAMASKAR' to the university campus. On January 25, 2022, from 8 a.m. until 10 a.m., the event was held online using Google Meet.

With the goal of achieving total harmony of mind, speech, and deed, as well as the purification of thoughts, NCC held the event 'SURYA NAMASKAR' to assist students in improving their health while also imparting knowledge and wisdom.

Republic Day

On 26th January every year India celebrates Republic Day The day our constitution was enforced.

With pomp and splendor
And with brothers and sisters
All together we celebrate
To remember the dedicated
men who laid their lives to
flames

Without desire for name and
fame

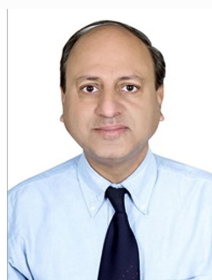

Selfless for the Motherland.
So let's unfurl the tricolor flag
Hoist it high upon the mast
In honor of those who do not
falter or swerve

For the sovereignty of the
nation, a gift of our
predecessors

For freedom, the light when
the dawn is still dark
Let us celebrate Republic Day.

SECRETS WRAPPED IN RAIN

Drizzle from heaven bestowed on ground,
Cloud of contentment was all around.
Some of joy, warmth, worship or pain,
So many secrets wrapped in the rain.

To gently kiss the wounds of earth,
To witness the nature's rebirth.
Wandering perpetual sky to narrow lanes,
So many secrets wrapped in the rain.

Along is the refreshing breeze that comes,
Whispering codes and giving goosebumps.
Sound for others, message for the insane, Se
many secrets wrapped in the rain.

Splashes of water, the trees tend to sway,
Reviving the hearts, worries fading away.
The elixir of life descending as endless chain,
So many secrets wrapped in the rain.

Soaking under cloudy ceiling in delightful
pain,
Trying to unwrap the secrets of rain.

THRILLS AND THORNS

One in the bright crowd
Outside so silent, inside yelling loud
All around voices were coming
Heart was pumping mind was numbing

Stepping in an over crowded rat race
Strange world, all busy in their own space
Learned, "catch your dreams at any cost,
World is no more gleamy as frost"

Started working for what I came,
Off course it was not an easy game
Sweating and freezing at same time
Everyone around sour as lime
Falling and standing back and again
Finally stood at the end
Smiling, dancing under rain

Chilling at night, burning at day
Preparing for more thrills on the way
