CURRENT DEVELOPMENTS IN ADVANCED CORPORATE FINANCE

The School of Commerce, Finance and Accountancy at CHRIST (Deemed to be University), Delhi NCR Campus, organized a guest lecture on "Current Developments in Advanced Corporate Finance" for its first-year MSc (Finance & Analytics) students on 05 October, 2023. Dr. N.N. Sengupta, Deputy Director of the Institute of Chartered Accountants of India, was the resource person for the session.

Dr. Sengupta's lecture was a comprehensive overview of the latest trends and developments in corporate finance. He discussed the application of capital structure theories, the use of cost of capital in business, and the modus operandi of several high-profile fraud cases, including those of Nirav Modi, Vijay Mallya, and Satyam. He also covered topics such as earnings per share, corporate growth rates, economy analysis, and understanding financial statements.

In addition to providing insights into the technical aspects of corporate finance, Dr. Sengupta also shared his advice on how to perform well in interviews. He emphasized the importance of having a strong understanding of the fundamentals of corporate finance, as well as being able to apply those concepts to real-world scenarios.

The students found Dr. Sengupta's lecture to be informative and engaging. They appreciated his expertise in the field of corporate finance, as well as his willingness to share his insights and advice with them. The School of Commerce, Finance and Accountancy at CHRIST (Deemed to be University) expresses its gratitude to Dr. Sengupta for his valuable contribution to the event.

PARLIAMENT VISIT

The School of Commerce, Finance, and Accountancy at CHRIST (Deemed to be University), Delhi NCR Campus, organized a two-day parliament visit for final-year students on 03 and 04 October, 2023.

This initiative strongly aligns with our belief that empowerment stems from a deep understanding of democratic processes. The visit served as a crucial step towards realizing the robustness of India's democracy and the potential held by the upcoming generation.

Our commitment to broadening horizons and facilitating a profound comprehension of our nation's democracy was vividly demonstrated during this educational journey. Beyond the classroom, we emphasize experiential learning, and the Parliament visit was a testament to our unwavering dedication to this approach.

It offered students a unique opportunity to witness the inner workings of our democratic institutions, contributing to their awareness of civic responsibility and active participation in the nation's governance.

Moreover, this visit was a tribute to our commitment to providing a holistic and enlightening educational experience to our students, instilling a sense of empowerment and civic engagement.

BLOOMBERG TERMINAL FINANCIAL INSIGHTS

On 05 October, 2023, the School of Commerce, Finance & Accountancy at CHRIST (Deemed to be University), Delhi NCR Campus, conducted a workshop titled "Bloomberg Terminal Financial Insights: An Orientation" from 3:00 PM to 4:00 PM at the Finance Lab, Christ University, Ghaziabad. Dr. N. N. Pandey, Professor at the School of Business and Management, led the session. The workshop, attended by 23 students, faculties, and research scholars, aimed to familiarise participants with Bloomberg Terminal, a crucial financial information platform.

The workshop covered Bloomberg Terminal's basics, including navigation, equity and fixed income analysis, data extraction for research, and access to economic and market data. Participants gained insights into "Bloomberg Market Concept" and ESG certificates, and the practical use of Bloomberg for trading and research. Certification options were also offered to enhance participants' proficiency.

The workshop empowered both novices and experienced finance professionals to make informed financial decisions and analyze markets effectively through Bloomberg Terminal.

SDG 16-VIOLENCE AGAINST CHILDREN

On 03 October, 2023, CHRIST (Deemed to be University), Delhi NCR Campus, in collaboration with the Centre for Social Action (CSA), organized an interactive workshop on "Violence Against Children (SDG 16)" at Composite School, Ghaziabad.

The workshop, coordinated by Dr. Surbhi Srivastava, hosted 46 student participants and focused on raising awareness about various forms of violence against children, including bullying, domestic violence, and cyberbullying.

The workshop provided insights into recognizing signs of violence and strategies for prevention, both online and offline. It emphasized the importance of confiding in trusted adults, such as parents, teachers, or counselors. Engaging activities and discussions encouraged active participation and left students with heightened awareness and knowledge of reporting mechanisms.

The workshop received positive feedback from students who expressed an increased willingness to seek help when faced with violence or bullying. Overall, it successfully contributed to creating a safer environment for children in the community.

RIDDLE TIME !

YOUR NEW CHALLENGE !

"I'm not a bird, but I can fly without wings. I'm not a plane, but I can travel great distances in the blink of an eye. What am I?"

ANSWER FOR RIDDLE GIVEN IN SEPTEMBER ISSUE:
-FIRE

A fire is not alive, but it can grow in size and intensity. It doesn't have lungs, but it needs oxygen (air) to sustain and propagate. While it doesn't have a mouth, water is often used to extinguish or "kill" a fire by removing the heat and depriving it of oxygen.

RECENT DEVELOPMENTS IN HR

On 17 October, 2023, the School of Commerce, Finance & Accountancy at CHRIST (Deemed to be University), Delhi NCR Campus, hosted a guest lecture titled "Recent Developments in HR." The speaker, Ms. Chanchal Chauhan, Head of OE and Leadership Development Programs at Sopra Steria, shared insights from her HR journey. Ms. Chauhan highlighted the challenges faced in HR and the evolving landscape due to the pandemic.

She emphasized the need for HR professionals to remain updated with technology and advancements. Pre-pandemic, the focus was on work-life balance, but it has shifted to work-life integration. The lecture discussed the transition from office and remote work to a hybrid model and the change from employee engagement to employee experience. Ms. Chauhan encouraged audience interaction and engagement throughout the session, providing valuable perspectives on the HR field. The lecture, attended by 41 students, offered students a deeper understanding of HR challenges and the shift towards employee-centric policies.
