CHRIST (Deemed to be University)
Delhi NCR Campus
ABOUT US

CHRIST (Deemed to be University), a premier educational institution, is an academic fraternity of individuals dedicated to the motto of ‘EXCELLENCE AND SERVICE’.

We strive for perfection through an earnest academic pursuit for ‘Excellence’. We endeavour towards ‘Service’ through our creative and empathetic involvement in society to transform it.

Education prepares one to face the challenges of life by bringing out the best in him/her. If this is acknowledged, education should be made relevant to the needs of the time and address the problems of the day. Inspired by St. Kuriakose Elias Chavara, the founder of Carmelites of Mary Immaculate and the pioneer in innovative education, CHRIST (Deemed to be University) has been proactive in defining and redefining its mission and strategies, having read the signs of the time.

BACHELOR OF SCIENCE (BSc) ECONOMICS (HONOURS)

Nurturing Growth

UNDERGRADUATE PROGRAMME – 3 YEARS

BSc Economics is a full time 3 years graduation programme and is a unique opportunity to study social science at a university level. The programme offers multidisciplinary courses. It includes finance, data analysis, mathematics, statistics and computer application apart from different subject matters of economics. This programme is a perfect tool to get in-depth knowledge of economics, mathematics and statistics at an advanced level. Earning a Bachelor degree in Economics may open prospects for professions like Research Analyst, Budget Analyst, Economic Affair Specialist, Academician, Banker etc.

Programme Objective

The programme will provide a general understanding of international and national functioning of the economic system and the role of institutions (public and private). The students will be analysing the growth and development of the economy in particular and the world as a whole. The programme will encourage students to gain core economic principles and how they apply to a wide range of real world issues like banking and finance, inclusive growth and sustainable development.

Programme Outcome

- Students will understand the role of all the core areas of economics, mathematics, statistics, econometrics, microeconomics, macroeconomics and finance. Thus the student will have acquired insight and understanding of all the main theories and concepts of general economics
- Shall understand the methods to analyse and process data in context to their discipline
- Will study how to rationalize theoretical knowledge of economics into a scientific approach for practical applicability

Eligibility

Basic eligibility for the programme is a minimum of overall 55% at the Plus Two level (ISC / CBSE / NIOS / State Boards) from any recognised Board in India.

- Eligibility for the programme is a pass at Plus Two level.
- It is compulsory to have studies Mathematics at Class XII level.

Students pursuing International curriculum must note that eligibility is according to AIU stipulations:

- Applicants pursuing IB curriculum must have 3 HL and 3 SL with 24 credits.
- Applicants pursuing GCE / Edexcel must have a minimum of 3 A levels, grade not less than C.
BACHELOR OF SCIENCE (BSc) PSYCHOLOGY (HONOURS)
Nurturing Wellbeing

UNDERGRADUATE PROGRAMME – 3 YEARS

The BSc Psychology Honours offered by CHRIST (Deemed to be University), Delhi NCR with non-core subjects like Artificial Intelligence and Biochemistry, is designed to meet the increasing demand for Psychologists in the diverse professional fields. Drawing from the recommendations of the American Psychological Association, The British Psychological Society and the University Grants Commission, this programme integrates both natural science and social science disciplines, encouraging students to take courses from diverse disciplines. This programme integrates courses from disciplines such as Biotechnology, Biochemistry, Computer science engineering and social sciences.

Students will have the opportunity to gain a firsthand experience of psychology as applied to diverse professional practice through internship opportunities. Students doing BSc Honours in Psychology will get an opportunity to complete a directed research project and develop a supervised dissertation under the guidance of a faculty member.

On completion of the BSc Honours programme in Psychology, the students will have:

• A better understanding of the social science and natural science concepts in the functioning of the human mind, body and behaviour.
• The ability to formulate questions in Psychology and to develop hypotheses, analyse data and interpret results.
• Identify how ethical issues interact with the practice of psychology in professional domains.
• Identify the relationship between psychology and other fields and its application across various disciplines.
• Develop awareness and understanding of how personal factors influence academic growth.

Eligibility

Basic eligibility for the programme is a minimum of 55% at the Plus Two level (ISC / CBSE / NIOS / State Boards) in any stream (Humanities, Social Sciences, Commerce & Management, Sciences) from any recognised Board in India.

• Candidates writing the Plus Two examinations in March-May 2020 may apply with their class X and XI marks.

- Applicants pursuing IB curriculum must have 3 HL and 3 SL with 24 credits.
- Applicants pursuing GCE / Edexcel must have a minimum of 3 A levels, grade not less than C.
MASTER OF ARTS (MA) IN BUSINESS ECONOMICS
Influencing Global Economic Thought

POSTGRADUATE PROGRAMME – 2 YEARS

The postgraduate course in Business Economics is the flagship programme of the department of economics with intensive specialisations in areas of finance and management. Industrial exposure through internships and visits, mastery in scientific analysis through advanced quantitative methods, statistics, econometrics and latest soft skills make students competent to take up the most challenging careers in business, industry, public sector and advanced academic research. The programme spanning four semesters intends to impart the necessary skills and capabilities to meet the challenges of the ever-changing vibrant economic environment.

Eligibility

- A candidate who has passed any Undergraduate degree examination with 50% aggregate marks from any recognised University in India or abroad recognised by UGC / AIU are eligible to apply.
- Applicants who are in the final year of their studies should have secured 50% or above aggregate in all the Semesters / Years of Undergraduate Examinations conducted so far. Students appearing for their final degree examinations in March-May 2020 are also eligible to apply.

MASTER OF ARTS (MA)
ENGLISH WITH COMMUNICATION STUDIES
Shaping Selves, Shaping the World

POSTGRADUATE PROGRAMME – 2 YEARS

The Masters programme in Literature and Communication Studies aspires to sustain and revive an academic interest in literary and cultural theories. The papers offered are as contemporarily relevant as possible, even eclectic. However, a conscious effort has been made to ensure that theories are grounded in textual readings, wherever possible. Testing and evaluation patterns aim at fostering a culture of research rather than an exam driven system, which will enhance the reading and creativity of the students. In keeping with practical demands, ELT, communication studies papers and the internship component are skill based and endeavor to make the programme application oriented.

Programme Outcome

By the end of the four semesters, the programme will prepare students to carry out independent scholarship and original contribution that informs research, teaching and service in English departments. The students will have

1. Core knowledge in methods and scholarship.
2. Critical thinking and creative synthesis.
3. Research methods, methodology and publication.
5. Hands-on experience through internships and service learning.

Eligibility

- A candidate who has passed any Undergraduate degree examination with 50% aggregate marks from any recognised University in India or abroad recognised by UGC / AIU are eligible to apply.
- Applicants who are in the final year of their studies should have secured 50% or above aggregate in all the Semesters / Years of Undergraduate Examinations conducted so far. Students appearing for their final degree examinations in March-May 2020 are also eligible to apply.
MASTER OF SCIENCE (MSc) IN PSYCHOLOGY (CLINICAL)
Promoting Holistic Wellness

POSTGRADUATE PROGRAMME – 2 YEARS

The Department of Psychology offers a two-year full-time MSc programme in Psychology with a specialisation in Clinical Psychology. Keeping pace with the disciplinary advances, the programme would address knowledge about psychological functioning at individual and social levels in an all-encompassing manner. With the goal of acquiring specialized knowledge, the programme would allow the students to nurture their academic interest in clinical psychology, along with personal growth and awareness.

The spirit of interdisciplinary growth is kept in view while conceptualizing a three-tier system:
A) CORE COURSES in the first three PG semesters (courses, which can be considered to be fundamental in giving PG students a larger perspective of Psychology as a social science discipline, irrespective of specialisation); B) SPECIALISATION COURSES (specific theory courses within the subject of Clinical Psychology); and C) ELECTIVE COURSES (a wide variety, across all disciplinary specialisations, primarily conceptualized by individual faculties (based on their own interest/expertise), offered from time to time and chosen by students according to their preference. The programme would strive to prepare competent professional psychologists who would excel in knowledge, orientation, and practice in psychology, with high ethical standards and social relevance.

Programme Objectives

• Employ skills and competencies required for practising as a clinical psychologist.
• Conduct research in the area of clinical psychology relevant to needs of the practice.

MASTER OF COMMERCE (MCom)
Nurturing Financial Acumen

POSTGRADUATE PROGRAMME – 2 YEARS

The MCom programme is intended to develop teaching and research skills among students to create academic expertise suiting to the contemporary needs of society. Duration of the programme is two years. It nurtures research culture among students and has innovative courses like papers by research, collaborative research publication with a research mentor, social-based micro project, industry internship, and teaching practice in BCom classes under the supervision of experienced faculty mentors. The third and fourth semesters offer electives in ‘Accounting and Taxation’ & ‘Banking and Insurance’. Students are also required to present & publish a research work in the second year. As a value addition - current affairs and journal club sessions are regularly conducted.

Transforming teaching as ‘a noble profession driven by passion’ is the need of the hour. It demands nurturing right Knowledge, Attitude, Skills, and Habits (KASH) among budding academicians. Knowledge creation through research should be the mission of any higher education institution. Hence our MCom programme has the following objectives:

• To create faculty of quality and competence in the subject areas of Commerce and Management.
• To inculcate the culture of research among students.
• To nurture personal, interpersonal and societal skills among students with a focus on Holistic Education.

Eligibility

• A candidate who has passed any Undergraduate degree examination in (BCom / BBM / BBA) with 50% aggregate marks from any recognised University in India or abroad recognised by UGC/AIU are eligible to apply.
• (Applicants who are in the final year of their studies should have secured 50% or above aggregate in all the Semesters / Years of Undergraduate Examinations conducted so far) Students appearing for their final degree examinations in March-May 2020 are also eligible to apply.
