

EVENT REPORT
CHRIST (Deemed to be University), Delhi NCR Campus

Event Name: Overview of Psychometric Test Construction

Venue: B Block, Room no B-116, 1 Floor

Date: 10 August, 2024

Time: 12: 00 pm – 01:00 pm

Event Coordinator: Ms. Ansella Anna Thomas

Participants: Scholars

Centre for Research, CHRIST (Deemed to be University), Delhi NCR Campus organised workshop on Overview of Psychometric Tool Construction. The programme started with an welcome address by scholar Sunaina Majumdar. In her address she welcomed the guest speaker Dr. Ridhima Shukla, Head of the Department and Associate professor of psychology at Christ (Deemed to be University), Delhi NCR and the PhD scholars to our campus. Dr Ridhima Shukla in her session emphasized on the topic Test Construction, clear problem statement, objectives and literature. The session also covered the topics of how to develop a test, framing the items effectively, establishing reliability and validity, and factor analysis. The session focused on empowering the participants with essential steps involved in research. Overall the session aimed to enhance the scholars research knowledge by enhancing their knowledge of psychometric tool construction.

Major Takeaways of the Session:

1. Scholars gained insights into steps of psychometric tool construction.
2. Scholars learnt the significance of clear, relevant, and unbiased test items in ensuring accurate measurement.
3. Scholars gained insights into the critical role of reliability and validity in establishing test quality.
4. Emphasis on necessity of establishing norms for interpreting test scores to facilitate meaningful comparisons.

Feedback and Action Taken:

The session received positive feedback from attendees, highlighting its informative content and relevance of the programme in their PhD journey. To further support scholars, the university plans to organize more programmes to make the PhD journey more efficient.
