

## **EVENT REPORT CHRIST (Deemed to be University), Delhi NCR Campus**

**Event Name:** Parametric Vs Non-Parametric Tools: A situation Based

Analysis

**Venue:** A Block, Discussion Room, 2 Floor

**Date:** 27 July 2024

**Time:** 12: 00 pm – 01:00 pm

**Event Coordinator:** Dr. Seshanwita Das, Commerce NCR

**Participants:** Scholars

Centre for Research, CHRIST (Deemed to be University), Delhi NCR Campus Organised workshop on Parametric VS Non- Parametric tools. The programme started with an welcome address by Dr. Seshanwita Das. In her address she welcomed the guest speaker Dr. Bhawna Agarwal, Professor at ACCA and Amity University, Noida and the PhD scholars to our campus. Dr Bhawna Agarwal in her session emphasized on the importance of accurately selecting parametric or non-parametric for the research analysis and conditions for choosing either parametric or non-parametric. The session focused on empowering the participants with essential tools and steps involved in research. Overall the session aimed to enhance the scholars research knowledge by equipping them with research tools.

Major Takeaways of the Session:

1. Scholars gained insights into accurately selecting tools for research analysis.
2. Scholars learnt how to identify the research topic.
3. Scholars gained insights into pilot survey of the questionnaire.
4. Scholars learnt the difference between adaptive and structured questionnaires.

Feedback and Action Taken:

The session received positive feedback from attendees, highlighting its informative content and relevance to their research journey. To further support scholars, the university plans to organize more programmes to make the PhD journey more efficient.
